Start/Finish at MMNT—CPA Office*

The fourth annual Beards & Beers 5k, to support the Curtis D. Robinson Center for Health Equity at Saint Francis, is a unique event that takes place in conjunction with MMNT’s Back the Beards. The Curtis D. Robinson Center for Health Equity is the primary recipient of these events. The Center provides vital health screenings & support for men with prostate cancer. The Beards & Beers 5k is focused on raising money & awareness for men’s health by hosting one of the “manliest races” you’ll ever be a part of. Shave your time, not your beard as we support this great cause!

Our post race party may feature “manly things” like beer, steak tips, wings, chili & pizza, and lots of awesome beards! The goal of this race is to raise money for men's health, we welcome & encourage women and children to join in and race with the manliest men in the area.

This Certified USATF Course (#CT15031JHP) is flat and fast through Manchester and South Windsor, CT.
